

Paul Orlando

Lansing born but raised and lived in Mason, I attended Mason High and MSU earning a BA Business degree.

A serial entrepreneur, I have been involved in several small businesses during my career including a golf course, fun parks, bowling centers, restaurants, a real estate agency and, most recently, an insurance agency.

Proud uncle of 15 nieces and nephews and at the time of this writing, a great uncle or “Gruncle,” as known to 9.

I started my involvement with the LIAC in the mid 1990’s serving on the board and then becoming the president. I have been a board member ever since and look forward to serving the LIAC well into the future.
